Our international ministry has been active in Africa for over 20 years. We are a NGO and U.S. registered 501c3 non-profit. Our Degree accreditation is in partnership with Covenant Theological Seminary, U.S.A. Our core course is the ISOM video curriculum, BBMI is a Regional Coordinator partner with ISOM. We urge you to prayerfully consider becoming a disciple of Christ with us and change your nation, one person, one church, one village, at a time!

Marilyn Hickey

People are changed when they get into God's Word and His Word gets into them. It is the only thing that will produce lasting results and changed lives. ISOM is preparing thousands worldwide to bring forth the Word... and fruit that remain. I am very thrilled to be a part of it.
